EXPERIENCE

Proposal Specialist | Independent Contractor

SEPT 2021 - AUG 2022, VANCOUVER, CA

- Designed and built visually compelling, engaging and persuasive proposals and marketing collateral for clients.
- Improved and built client content management systems and proposal and marketing materials which led to increased team efficiency.

Senior Proposal Coordinator | AES Engineering Ltd.

FEB 2019 - MAR 2021, VANCOUVER, CA

- Designed and crafted visually compelling, engaging and persuasive proposals and marketing collateral for an electrical engineering firm.
- Collaborated with technical staff to win complex major projects such as St. Paul's Hospital (\$1.3B overall value) and TransLink's new Capstan Station (\$30 million overall value).
- Oversaw onboarding of new coordinators and supervision of three interns whilst delegating proposals and workflow for all four offices.

Junior Consultant | GDSI Limited

JUN 2017 - OCT 2018, GALWAY, IRELAND

- Won and successfully delivered 4 EU-funded international development projects, managing experts across Europe.
- Successfully developed report content for donors such as EU and UN through in-depth research, inclusive of coordination and review of expert technical content and material for submission.

EDUCATION

BrainStation | Diploma, User Experience Design

SEPT 2022 - DEC 2022, VANCOUVER, CA

University of Galway | Bachelors in Civil Law (International)

SEPT 2011 - May 2015, GALWAY, IRELAND

- NUI Galway Presidential Award for volunteering as a Student Connect Mentor.

PROJECTS

UX Designer | Capstone Project: Treeco

SEPT 2022 - DEC 2022, VANCOUVER, CA

- Created a native android app to assist young people in adopting a more sustainable lifestyle through positive reinforcement, rewards and gamified e-learning content.
- I utilized the design thinking method for my approach, in addition to producing a UI library and associated marketing site for Treeco.
